

Eric Schmidt
Vice President of Sales and Client Relations
secova USA

Eric brings 20 years of successful sales, new business development, client relations and marketing expertise to the secova USA team.

Eric is responsible for leading the Sales and Client Relations team for secova USA across North and South America.

secova USA provides Environmental Health and Safety (EHS) solutions for a wide range of industries across the globe.

Eric has been responsible for establishing and retaining strong client partnerships/relationships throughout his career.

“I’m extremely lucky to have been able to partner with and create long lasting partnerships with some amazing individuals.

In his free time Eric spends time with his wife of 16 years (Danielle) and two daughters (Nina 11 and Sonja 9).
