

Arnd Herwig  
Vice President Development  
Brose North America

Arnd Herwig joined Brose Fahrzeugteile GmbH & Co, KG., as Director Design for the Door Systems Business Division in Hallstadt, Germany, in 2000.

He was appointed Vice President Development (Engineering) Brose North America, Inc., on February 1, 2007, where he is responsible for the group's engineering activities and central engineering functions in North America (US and Mexico).

In addition to his work at Brose, Mr. Herwig is a Board Member of the German American Chamber of Commerce (GACC), Michigan Chapter and represents Brose on the board of the Strategic Steering Committee for the Michigan Advanced Technician Training Program MAT<sup>2</sup>®.

Mr. Herwig graduated in 1994 with a Master's Degree in Mechanical Engineering from the University of Applied Sciences in Hannover, Germany.

Before joining Brose Mr. Herwig held managerial positions with Continental AG and Rockwell Light Vehicle Systems.
