

Jennifer Meyers
Director of Client Advisory Services
Hull Speed Associates

Jennifer Meyers is a Director of Client Advisory Services at Hull Speed Associates, an international business services firm with offices in Boston, Massachusetts and Munich, Germany.

Hull Speed specializes in setting up and managing foreign subsidiaries throughout the world. Our back-office services include set up of permanent establishment, payroll, monthly reporting, treasury services (invoicing, bill pay, etc.) and office administration. Advisory services that we provide include corporate insurance, GAAP related reporting, tax compliance, legal and international CFO as a service.

Hull Speed operates as a single point of contact for the client and an extension of the company.

Ms. Meyers graduated in 1995 with a Bachelor's Degree in Business Administration – Accounting from Bryant University and in 2010 with a Master's Degree in Taxation from Bentley University.

Before joining Hull Speed, Ms. Meyers practiced in public accounting for 21 years.
