

Richard Michaels

Senior Underwriter

Allianz Global Corporate & Specialty

Rich is a Senior Underwriter for Allianz Global Corporate & Specialty based out of Chicago. He handles Cyber, Tech, Media and Miscellaneous E&O placements for the Midwest and South regions with focus on large, national, and multi-national accounts. Rich is a member of Allianz' global Cyber and Professional Indemnity Blockchain Practice Group, whose goal is to educate underwriters on blockchain and cryptocurrency related exposures. He has been with Allianz since 2015 in both finance and underwriting capacities. Prior to that, he worked at Marsh in the FINPRO and Casualty practice groups.

Rich has a B.S. from The University of Wisconsin - Madison in Finance, Risk Management, and Insurance.
