# ABOUT OUR WORKFORCE INITIATIVE PROGRAMS

The German apprenticeship system is one of Germany's most successful exports, producing highly trained employees that help companies embrace innovation, market demands, and growth opportunities. The system is recognized globally for its combination of company-specific knowledge, theory, and hands-on learning.

GACC Midwest implements German-style apprenticeship programs such as the ICATT® and MAT<sup>2</sup> Apprenticeship Programs, which attract young people to manufacturing and other high-tech careers and increase retention rates for Network Companies. Certified according to German DIHK standards, these programs are affiliated with the US Department of Labor.
