Delegations & Programs - 2026 & 2027

Delegation Trip to the US

Plant Engineering Solutions for Battery Manufacturing and Recycling

Nov 30 - Dec 4, 2026 | Kentucky, Tennessee

We are bringing a delegation of leading German companies to the U.S. to connect with American partners seeking innovative solutions in battery manufacturing and recycling. Meet German firms with expertise in production equipment, automation, plant engineering, and recycling technologies. Through B2B meetings, networking events, and expert discussions, U.S. companies can explore new supplier relationships, technology partnerships, and market opportunities while gaining insights into advanced German engineering solutions. The program is supported by the BMWE.

Delegation Trip to Germany

Midwest Meets Germany 2027 - Defense Manufacturing & Dual-Use Innovation

Mar 1-5, 2027 | Germany

Midwest Meets Germany 2027 brings together economic development organizations, industry associations, chambers, innovation leaders, companies, and research institutions from Germany and the U.S. Midwest to strengthen transatlantic collaboration in defense manufacturing and dual-use technologies. Through expert discussions and networking opportunities, participants will explore partnerships that advance innovation, industrial growth, and resilient supply chains.

Delegation Trip to the US

Robotics and Automation for U.S. Healthcare Processes

Mar 15-19, 2027 | Minnesota, DMV Region

German Companies: Designed for German SMEs in machinery and automation, this business delegation, offers direct access to two of the leading U.S. healthcare innovation hubs. The program features a networking event in Rochester, site visits to leading institutions like the Mayo Clinic, Medtronic and NIH , an expert roundtable, and tailored B2B meetings. It delivers practical insights into current needs, cutting-edge technologies, and commercial opportunities for robotics and automation in U.S. healthcare.

Mini Delegation Trip to the US

Add-on to "Space Symposium" in Colorado 2027

Apr 15-16, 2027 | Colorado Springs, Denver Region

German & American Companies: Designed as an exclusive add-on to the Space Symposium, this two-day mini-delegation offers participants direct access to Colorado's world-class space and aerospace ecosystem beyond the exhibition floor. Featuring a networking reception in Colorado Springs, Denver-area site visits, and an expert roundtable, the program delivers practical insights into current developments, cutting-edge technologies, and commercial opportunities in the U.S. space sector.

Coming Up in 2027

Connecting Midwest and German Startup Ecosystems - Life Sciences

TBD | Germany & USA

German & American Companies:
Join our transatlantic project series and explore leading life sciences innovation hubs in Germany and the Midwest. Through two delegation trips in 2027 to both regions, participants will exchange best practices, build strategic partnerships, and strengthen international collaboration across the life sciences ecosystem.
