

# Delegations & Programs - 2026

## *Delegation Trip to the US* **EV Charging Infrastructure, Storage Manufacturing, and Production Systems**

Oct 4-9

Michigan, Tennessee  
& Alabama

**German companies:** Join our business development trip to the U.S. Midwest and explore emerging opportunities in EV charging infrastructure, solutions for storage manufacturing, and production systems. Gain valuable market insights into how electrification, innovation, and industrial partnerships are driving the transformation of the American mobility and manufacturing landscape.

**US partners and companies:** Meet and/or host our German delegation in Michigan, Tennessee & Alabama!

## *Delegation Trip to Germany* **Next Level Apprenticeship - Cluster Exchange of Transatlantic Training Partners**

Oct 5-9

Germany

**US educators, employers, and policy makers:** Experience Germany's apprenticeship system firsthand as part of cross-sector U.S. delegations visiting companies, vocational schools, and chambers of commerce to learn how industry and education collaborate to develop skilled talent. Through intensive five-day study trips and structured virtual workshops, educators, employers, and policymakers gain practical strategies to build high-quality apprenticeship programs that address critical workforce shortages in their home communities.

## *Mini Trade Mission*

### **Add-on to “The Battery Show” in Detroit 2026**

Oct 15-16

Detroit

**German & American companies with battery solutions:** Join us for a focused program around the Battery Show, in Michigan's dynamic battery and automotive ecosystem. The agenda includes exclusive site visits with industry leaders, a networking event with key Michigan stakeholders, and a roundtable with German-American executives. This is a unique opportunity to strengthen transatlantic connections and explore future collaborations in one of the US's top innovation hubs.

## *Mini Delegation to Chicago*

### **Green Buildings: Innovation & Impact**

Oct 26-29

Chicago

**Organisations in the sustainable building sector:** Come meet our delegates in Chicago focusing on the latest innovations in sustainable construction and building decarbonization. The agenda includes participation in the Chicago Build Expo 2026, as well as exclusive networking events and panel discussions with key stakeholders. This is a unique opportunity to connect with German industry stakeholders and their U.S. counterparts to strengthen transatlantic connections and explore future collaborations in the Midwest's green building ecosystem.

2026

### **US Market Entry Bootcamps**

Nov 2-5. - Virtual

**German businesses:** The US Market Entry Bootcamp Seminar provides German companies with the necessary specialist knowledge for a successful market entry in the USA in a compact and short time. All days of the boot camp will feature interactive presentations from subject matter experts on a range of relevant topics, followed by 30-minute one-on-one consultations between the experts and participating companies. In addition, all participants will receive a comprehensive guide to creating a business plan for entering the US market.

# Delegations & Programs - 2026/27

## *Delegation Trip to the US*

### **Plant Engineering Solutions for Battery Manufacturing and Recycling**

Nov 30 -  
Dec 4, 2026

Kentucky,  
Tennessee

We are bringing a delegation of leading German companies to the U.S. to connect with American partners seeking innovative solutions in battery manufacturing and recycling. Meet German firms with expertise in production equipment, automation, plant engineering, and recycling technologies. Through B2B meetings, networking events, and expert discussions, U.S. companies can explore new supplier relationships, technology partnerships, and market opportunities while gaining insights into advanced German engineering solutions. The program is supported by the BMW.

## *Mini Delegation Trip to the US*

### **Save the date: Add-on to “Space Symposium” in Colorado 2027**

Apr 15-16,  
2027

Colorado Springs,  
Denver Region

**German & American Companies:** Designed as an exclusive add-on to the Space Symposium, this two-day mini-delegation offers participants direct access to Colorado’s world-class space and aerospace ecosystem beyond the exhibition floor. Featuring a networking reception in Colorado Springs, Denver-area site visits, and an expert roundtable, the program delivers practical insights into current developments, cutting-edge technologies, and commercial opportunities in the U.S. space sector.

Are you interested in joining one of our trips? Would you like to meet our delegates at one of our events or host a site visit for them at your organization?  
Are you interested in being included as a speaker or panelist for any of our topics? Would you like us to plan a delegation or event for your organization?
